How did I get involved in Twirling	<p>I have been involved in Twirling for 30 years now! With both my daughters devoted to the Sport, Twirling has been, &amp; still is, a massive part of my life.</p> <p>Sarah &amp; Claire jointly train the Angels &amp; are both BBTSA &amp; WBTF judges &amp; also part of the BBTSA Technical Committee. I am Club Leader for the Angels with around 50 athletes &amp; we are proud to be part of Region 15 - one of the largest Regions.</p>
Most memorable twirling occasion	<p>Watching Sarah &amp; Claire compete themselves as part of the England Group &amp; collect a Bronze medal in the World International Cup in Florida in 2011</p> <p>Seeing them choreograph a routine &amp; coach one of the Angels to win the Gold Medal at the World International Cup in Croatia.</p> <p>Not forgetting being part of the organising committee for the World Championships in 2014, held in England for the first time ever in Nottingham. A wonderful occasion &amp; together we pulled off a smooth-running event, with athletes from around the World going home with amazing memories of England!</p>
